Membership Requirements

Voting Members

Voting members are companies engaged in the development, manufacture and sale of design tools and services to the electronics engineering community. Membership entitles your company to vote on policies, receive a membership plaque, have employees serve on a committee or as an officer, use of the Consortium's logo in promotions, receive invitations to meetings, and receive all pertinent correspondence.

Non-voting Members

Businesses, Associations or Consortiums

Businesses, Associations or Consortiums shall include organizations not actively engaged in the development and sale of EDA products, but which are associated with and interested in the EDA industry. Membership entitles you to receive a membership plaque, have employees serve on committees, attend all meetings and receive all correspondence.

Individuals and Consultants

Individual Associates shall include individuals and consultants with an interest in the activities of the Consortium and in the EDA industry. Membership entitles you to serve on committees, attend all meetings and receive all correspondence.

Educational Institutions

Educational Institutions shall include educational institutions interested in the development and use of EDA products. Membership entitles you to receive a membership plaque, have employees serve on committees, use the Consortium's logo in promotions, attend all meetings and receive all correspondence.
